

Community Halloween Events 2015 - Updated 10-26-2015

Kids are two times more likely to be involved in a pedestrian incident on Halloween than any other day of the year. We at Safe Kids Grand Forks want to promote alternative trick-or-treating options so we have compiled a list of events. Please consider attending a community Halloween event rather than trick-or-treating on the streets. Have fun and stay safe this Halloween.
