**Tuesday, September 25th  
4pm - 7pm**

Roseau Electric Cooperative  
(East garage)

***Nearly 4 out of 5 car seats are used incorrectly.***

Don't let one of them be yours; having a car seat installed incorrectly could put your child at risk. By attending a car seat check-up event, a Certified Car Seat Technician will assist with checking your seat for recalls, proper fit and correct installation. Please call 463.3211 to schedule an appointment.

***\*New car seats will be available for distribution as needed.***
