4 out of 5 car seats are used incorrectly. Could one of them be yours? Is your child's car seat on a recall list?

Come and we'll check. Did you know that children up to 4'9" should be riding in a booster seat for the safest ride?

Safe Kids Grand Forks is pleased to partner with Brost Chevrolet to offer regular car seat check-up events. These are offered on the dates listed from 4 - 5:30 p.m.

**Stop by and make sure your children have a safe ride.**
