

It's A Medication Take Back Event Challenge

Altru Health System, Safe Kids Grand Forks and the Grand Forks Sheriff's Department are teaming up to host a Medication Take Back Event and a partner agency challenge has been issued. As part of this event, we are challenging the Grand Forks Police Department, the Grand Forks County Sheriff's Department and the UND Police Department to a contest to see who can inspire the most amount of drop offs. Come by this event and donate your expired or unused medications. Let us know what agency you want them donated on behalf of and the one that collects the most amount of weight in their disposal bin on the day of the event will be declared our winner!! We can take pills, creams, ointments, liquids, patches and even pet meds and they can be over-the-counter or prescription. Items can be left in their original packaging with the labels on them as they will be incinerated.

Date: Tuesday, March 23, 2021

Time: 8 a.m. — 12:30 p.m.

Location: 1375 S. Columbia Road

(Hugo's parking lot across from Altru Health System)

Drive up and drop off your medications with a contactless system.
