

# Medication Safety: Balancing Healthcare & Poisoning Dangers In Our Patient's Homes

As healthcare providers, we are sending prescription and OTC medications home with our patients every day. While these products may help with their pain, medical condition or general health, have you ever thought of them as a poison? Join Carma Hanson, MS, RN – Coordinator of Safe Kids Grand Forks / Altru Health System as she shares information on medications and the safety of kids in our patient's homes.

An application has been submitted for CEU's for nursing. Continuing education credits will also be provided by the North Dakota Board of Physical Therapy. All healthcare / social work / care provider disciplines are invited to attend.

Dates:

Tuesday, March 23<sup>rd</sup> from 12 – 1 p.m.  
Wednesday, March 24<sup>th</sup> from 4 – 5:00 p.m.  
Thursday, March 25<sup>th</sup> from 5:30 – 6:30 p.m.

This training is FREE of charge.

These sessions will be held on-line and registration is required at least 1 day prior to the class. To register, sign up at: <https://bit.ly/395SMp5>
