

Safe Kids Grand Forks Presents: Parent & Foster Parent Safety Sessions

Join us via Zoom as we discuss topics to help keep your kids and family safe from preventable injuries.

FREE but pre-registration is required (see below).

These sessions qualify as continuing education hours for ND foster families, but are open to anyone wanting more information on these safety topics, including parents, grandparents, foster parents or other caregivers. These sessions are free but registration at the link below is required. More session information on the topic content will be available at the sign up link. (The Zoom link and password will be sent to registered participants via email the day prior to each session.) Please register at least two days in advance of each session so we can plan accordingly for sending sessions handouts and the log-in password.
