

School Bus Safety Week— October 16-22

School bus safety week is October 16-22, 2022. Please remember these important safety tips when it comes to school buses.

- ⇒ Always STOP for the BUS! When a bus's stop sign is out you MUST STOP your vehicle not matter what direction you are coming from. This means children will be crossing in front of the bus.
- ⇒ Remind children to wait on the sidewalk for the bus not on the berm, wait for the bus to come to a complete stop, the doors open and the bus driver to tell them it's okay to enter.
- ⇒ Kids should always sit while on the bus and not stand or walk in the aisle.
